**La Spezia (Cinque Terre), Italy**

Tuesday 20 May 2025

**SPE49A - THE NATIONAL PARK OF CINQUE TERRE**

SCENIC ROUTE

Although "Cinque Terre" is Italian for five lands, the name actually refers to the five picturesque villages of Monterosso al Mare, Vernazza, Corniglia, Manarola and Riomaggiore that sit like little jewels along the Ligurian coastline and together count as a UNESCO World Heritage Site. The rugged and unspoiled Cinque Terre region is your destination on this all-day tour, which begins with a scenic coach ride to Portovenere, listed by UNESCO as a World Heritage Site. Your guide will tell the story of this enchanting fishing village as you admire the panorama that inspired Byron and other Italian and international poets as a muse. You will have some free time to walk along the sea and explore the cosy streets before boarding a boat for a leisurely boat tour along the coast that intends to celebrate the region's incredible natural beauty and its well-loved ancient traditions. You will reach Monterosso al Mare, the largest of the Cinque Terre villages. You will have some free time in the historical centre, home to the early 14th-century Church of San Giovanni Battista. Explore the town or perhaps have lunch in one of the many cafés and restaurants (not included in the price of the tour) before the tour then draws to a close with your train ride to Levanto and then with a coach drive to La Spezia. Please note: the tour is unsuitable for guests with mobility problems or using a wheelchair. We suggest taking a hat and wearing sunscreen during the summer months. Should adverse weather conditions prevail, a train ride may replace the boat trip; have the final tour itinerary reconfirmed during your cruise. The excursion does not operate from November to March (inclusive).

CITY TOUR

Treat yourself to an enjoyable half day off the ship for an exterior viewing of one of the world's most famous buildings, the Leaning Tower of Pisa, along with other notable buildings and the town itself. A coach journey will first see you reach Pisa to meet your guide, after which you will first continue on to the Piazza dei Miracoli. Not only is this the site of the notorious tower, the cathedral and the baptistery, but is also the place where Galileo Galilei conducted his ground-breaking acceleration experiments. In addition to seeing the tilting tower, you will also have a chance to explore the inside of the beautiful 13th-century cathedral and to have a look around the no less spectacular marble baptistery (external viewing) that boasts a large Romanesque dome. Pisa's pleasantly compact city centre is next, where you will find a whole host of appealing piazzas, buildings, shops and restaurants to occupy the time you will have to spend as you please. You coach will then be waiting to return you to La Spezia and your ship, with more breathtaking views of the Tuscan and Ligurian landscapes to enjoy as you go. Please note: wheelchair users must be accompanied by a paying helper to provide assistance with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift. Wheelchair users wishing to take part in this are requested to contact the Shore Excursions' Desk promptly once they are on board so that arrangements can be made. Guests are requested to wear appropriate attire for the religious visit. Guests will visit the Cathedral on their own after receiving information from the guide outside the site.

**SPE21 - TUSCANY COUNTRYSIDE: LUCCA AND WINE TASTING**

CULTURE AND HISTORY

Immortalised by artists like Monet, Degas and van Gogh, the entrancing Tuscan countryside is one you can savour during the initial drive from La Spezia to the little town of Lucca, your destination on this entertaining tour. Founded by the ancient Etruscans and still enclosed by a set of fully intact Renaissance walls, Lucca offers visitors a step back in time. A walk through the historical streets will take you past Piazza dell'Anfiteatro, built on the site of the former Roman amphitheatre, en route to an inside visit of the Church of San Michele in Foro. First mentioned as early as A.D. 795, then rebuilt post-1070 by order of Pope Alexander II and finally given its current ornate façade onwards of the 13th-century, the church features a nave, two aisles, a semi-circular apse and mullioned windows. Next up is Lucca's Cathedral of San Martino, whose construction began in 1063 in Roman style, while the present-day building is Gothic due to 14th-century restoration work. You'll then have some time to spend as you please before an approx. 30-minute drive takes you to Montecarlo, a small community and wine growing region noted for producing the "best Tuscan whites". Your destination is a local farmhouse for a taste of homemade food and a chance to visit the wine cellars, the wine production and olive oil pressing areas. This special treat will be followed by your return trip to your ship, which ends the tour. Please note: wheelchair users must be accompanied by a paying helper to provide assistance with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift. Wheelchair users wishing to take part in this are requested to contact the Shore Excursions' Desk promptly once they are on board so that arrangements can be made. Guests are requested to wear appropriate attire for the religious visit. In case of religious service, the guide will give explanation outside the churches; guests will visit the sites individually.
